Small Business Series

As a small business owner your time is money, and maximizing your time is of utmost importance. In order for you to succeed you must have the right tools and information. But how do you find the time? We want to help. BNA Bank, along with several industry partners, is presenting an informative series of short, lunch seminars aimed just for the busy small business professional. During this series we will discuss retirement plans for small businesses, choice of business entity, important tax information and business succession planning.

If you are a small business owner, you need to attend. Make plans now to attend one or all three seminars. Seating is limited. Sign up today.
